Message from Rev. Cannon

Dear First Presbyterian Church,

We are in the midst of the Lenten Season. It is a time of repentance and forgiveness, where we repent of our sins and ask God for forgiveness. That is the most important part of this season as we prepare our hearts and minds and remember the great sacrifice God made for us through His Only Son Jesus Christ. As we release those transgressions to God and receive God's grace, let us also remember those to whom we need to grant forgiveness. **Matthew 6:14-15 (NRSV)** tells us:

¹⁴ For if you forgive others their trespasses, your heavenly Father will also forgive you;
¹⁵ but if you do not forgive others, neither will your Father forgive your trespasses.

Do not wait to forgive someone a wrong they may have committed against you. Even if they have not asked for forgiveness, grant it anyway. Forgiveness is a way of releasing a burden we hold against someone. Unforgiveness is a bitter pill. It encroaches upon our way of life. It influences our decisions, our actions, and destroys the person who cannot forgive. **Unforgiveness is like drinking poison and hoping the other person dies.**

To forgive is to set a prisoner free and realize the prisoner was you. So do not wait another minute. If there is someone you need to forgive for whatever reason, forgive them in your heart right now. It is the greatest gift you can give to yourself.

Rev. Veronica E. Cannon

Dear Friends at First Presbyterian Church.

We are deeply grateful for your 2014 contributions supporting our ministry as mission co-workers of the Presbyterian Church (U.S.A.) in Bangladesh. Your generous gifts helped us meet the costs of our apartment rent, living allowance, health insurance, and other essential components of our basic mission support.

Your gifts also assured us that although we are the only PC (USA) missionaries in Bangladesh, we are by no means here alone. Your abiding fellowship with us encourages us greatly in our service.

In 2014, our missionary service led us into ever-deepening relationships with our brothers and sisters in the Church of Bangladesh—a partner church of the PC (USA) - and with the sick and needy whom the church serves. We helped design a church-related community health and nutrition program for fifteen areas of the country, assisted the church's two mission hospitals, and trained and accompanied ministers and lay leaders in visiting the sick among their Muslim, Hindu, and Christian neighbors.

Our missionary experience this year deepened our conviction that a compassionate response to suffering is an essential part of proclaiming the gospel of Jesus Christ to the world. Thank you for making it possible for us to carry out this ministry to Bangladesh.
