"Conflict Transformation"

Conflict Resolution. It's a buzz phrase that has been bouncing around for years in many different professions and walks of life. Whether you are a teacher, bank manager, police officer or a pastor you've likely engaged in some sort of conflict resolution training.

Jesus has something to say to Christians on this topic as well though it's probably

not what we were taught. Our Gospel text is a familiar one, about how the Church should deal with "someone who sins against you" and "where two or three are gathered" Jesus will be there as well. The broader context of Matthew 18 is important to explore to understand that conflict is not something for us to merely resolve but if we follow Jesus it is something to be transformed.

Join us for worship this Sunday at 10:30 AM as we celebrate our children and teachers and consider conflict transformation as a way forward.

Blessings and Peace,

Danny

Cam Murchison, Stated Clerk of the Presbytery of Western NC said in a recent email:

"We have not yet received word on when any volunteer response teams will be sent. When that information becomes available we will pass that information along to you."

"We know you will join us in praying for courage for those who are suffering; wisdom and

diligence among agencies and individuals assessing damage and directing relief efforts; and for generosity to flow as powerfully as rivers and streams, as we respond to the deep human needs left in the wake of the storm."

Supporting The Soup Kitchen in 2018

Since I joined this congregation as your pastor on February 1, 2016 I have witnessed the constant challenge of maintaining our commitment to Christian Ministries to staff the Soup Kitchen one day per month. When I arrived that day was set as the first Sunday of each month. That schedule was problematic for several reasons.

1. Sunday worship is the hub around which the life of a congregation revolves. It is the heartbeat of the church. To schedule a church activity, even one of discipleship and mission such as feeding the hungry, during the worship hour is counter to the health and vitality of a worshipping community.
2. Additionally, our worship attendance had decreased and then stabilized to where 30-40 people were in worship each Sunday. Taking 5 to 7 of us out of worship became increasingly difficult to absorb and still maintain a meaningful worship experience for the rest of us.
3. One of the guiding principals of the Presbyterian Church (USA) is that we are a "connectional church" and one of the ways that is tangibly expressed is through the celebration of The Lord's Supper. The vast majority of Presbyterian Churches (actually Protestant Churches) celebrate the sacrament of The Lord's Supper on the first Sunday of each month. We were operating counter to that schedule, having communion on the second Sunday due to our soup kitchen commitment.

In 2017 we established the first Sunday of the month for regular celebration of the Lord's Supper while continuing our monthly commitment to the soup kitchen by alternating months between Saturday's and Sunday's (usually the 2nd Sunday). Securing volunteers has remained a challenge and two dates are still open for this year; Saturday October 21 and Saturday December 16.

The session has been working with the staff at Christian Ministries to determine our congregation's engagement with staffing the soup kitchen in 2018. Understanding our constraints due to our decreased size from years past they have presented a schedule that commits us to 4 Saturday's. Those Saturday dates in 2018 are:

January 6, May 5, August 4, December 1

Before we commit to this new schedule we want to be sure there is willingness and availability to volunteer in the soup kitchen. Over the next several weeks please let us know if you wish to be included by returning the provided form in the offering plate or contacting the pastor or church office.

First Presbyterian Church was instrumental in the founding of Christian Ministries in the 1970's and has remained engaged in a number of ways ever since. Please prayerfully consider if you can help in 2018.

October Mission Opportunity – Packing Food

First Presbyterian Church will be volunteering at Christian Ministry of Lincoln County during the week of October 9th. Disciples from our church will work that week, Monday thru Friday, between the hours of 9:00 am – 1:00 pm to pack boxes of food for distribution to our neighbors in need.

Come enjoy fellowship with church members while providing a vital volunteer service for Christian Ministry.

Whether you can work every day or just an hour or two, please volunteer to take part in this mission opportunity. To schedule a time slot or get more information please contact Betty Beaver at 704-735-6818.
